## What has been happening this week.

The Year 3 boys' football team has been in action again this week: completing the football tournament that they started last week. This week they travelled to Hathershaw again to play the remaining 4 fixtures. Overall, the boys came 4<sup>th</sup> place (out of 10 teams) and we were the only school to have an all Year 3 team as all of the other teams had Year 4 children on them. Well done boys! Thank you to Mr Mistry & Miss Brook for running the training sessions and taking the children to the competition.

This week all the children in Year 5 have been on a trip to the Blue Planet Aquarium to support their geography work about 'why do oceans matter?'

## **Bronze & Silver Dojo Awards**

We had a big group of children receive their bronze and silver dojo awards in our assemblies this week. Dojo points are awarded for going above and beyond expectations in the key areas of: resilience, respect, participation, persistence and achievement. Here are some photos of the awards presented this week – well done everyone!

## **Gold Dojo Award**

In KS2 assembly this week, we gave out another Gold Dojo Award, which is given to children when they receive 200 'dojos'. A very big well done to Scarlet in Year 3!

**Reminder** - School starts at **8.45am** every day

**Congratulations to all our learners of the week.** They have really impressed their teachers this week.
